OUR TEAM

PAOLA GUZMAN

**MASTER OF SOCIAL WORK | UNIVERSITY OF SOUTHERN CALIFORNIA
BACHELORS OF ARTS SPANISH/SOCIOLOGY | MSMU**

Paola's experiences as a first generation Latina with roots in California, Texas, El Salvador, and Guatemala have led her to value humor, joy, creative expression, disruption, and systems thinking. Throughout her career in social services, Paola has invested in people through thought partnership, facilitation, collaboration and mentorship. Paola has led the operations and logistics of multi-partner collaborative projects to streamline access to services, and set the strategic development and growth of a national team of social services staff.

ANDREA GUTTIN

**JURIS DOCTOR | UNIVERSITY OF TEXAS SCHOOL OF LAW
MASTER OF ARTS, LATIN AMERICAN STUDIES | UT AUSTIN**

With twenty years working with nonprofits, Andrea understands the importance of trust and inclusion in coalition building. She has developed and managed projects including a court help desk, resource hotline, disaster legal and removal defense programs. Her advocacy leadership brought people and power together through community meetings, trainings, and workshops to grow representation and services for immigrants in Houston. Andrea loves seeing people and ideas grow through inclusive and collaborative processes. She believes we should ease the work of social justice through humor, creativity, & compassion.

PROJECT PROFILES

OUR SKILLS & STRATEGIES WITH IMMIGRANT COMMUNITIES ARE TRANSFERRABLE TO OTHERS MADE VULNERABLE BY INJUSTICE.

CAMPAIGN FOR LEGAL SERVICES

PLANNING | COALITION | ADVOCACY

Andrea led a coalition that successfully secured \$2.5 million in public funds for deportation representation, keeping families together. During the multi-year campaign, Andrea met with community leaders, policy makers, and the press. She centered community voices in strategy sessions and provided resources that uplifted their leadership. Andrea later worked with the county to develop the RFP, and coordinated grantees to share trends and create a single-stream referral system.

HOTLINE MANAGEMENT

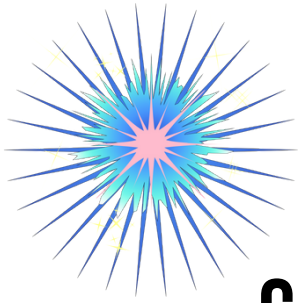

PLANNING | FUNDING | EVALUATION

Andrea and Paola co-led the creation, management, and quality improvements for a city-wide hotline that pooled nonprofit resources to provide daily referrals to services and respond to emergencies like Hurricane Harvey and COVID19. Andrea and Paola led countless strategy sessions, identified shared goals, and provided ongoing training and mentorship to operators. They designed a caller database that centralized information to meet the needs of 8,600 callers.

SOCIAL SERVICES NETWORK

PLANNING | PROGRAMS | EVENTS

Paola convened social workers, navigators, and advocates at 32 organizations to address barriers in service provision. She led the network through a process of information sharing, problem identification, and advocacy, helping clients overcome hurdles to access services. Paola trained over 600 people in cultural safety and trauma awareness, and facilitated relationships between network partners and health and government agencies, such as Harris Health.
